The location might be a castle/mansion set in 800 acres, a building dating back to the 1200s in a tranquil and grand setting with panelled walls and suits of armour. One castle has been in the same family for the last 700 years and has a church in the grounds. An elegant city hotel has a marble hall and terraced gardens.

Some locations can take up to 230 seated guests; up to 83 bedrooms. Others will provide a vintage car, facilities for helicopters, a piper to receive guests or a horse and hound reception for guests, a blessing of the wedding, spa centre and cosmetic appointments, a wedding coordinator on the day. Also available might be local golf course, fishing, tennis, croquet, archery, falconry.
